Dear Dimitri

I enclose the cheque in settlement of the work undertaken this week.

I also wanted to express Mike and I's thanks for the work you have done. The attention to detail is second to none and you have transformed two rooms with the exceptional workmanship.

You also went far above what would normally be expected by coming into the house late at night to finish off the coats. It's been a very stress free process with your professional approach.

Many thanks once again and I would have no hesitation in recommending you and your company.
