Dear Dimitri

I just wanted to thank you and your fantastic team for the stunning and beautiful oak floor I am now enjoying throughout my home.

I found you all courteous, friendly, efficient and well organised – an absolute pleasure to have you in my home!

Your attention to detail was superb. You arrived when you said you would, the cost was as quoted and I really cannot find a single fault.

I highly recommend Exquisite Woods to anyone wanting a beautiful new floor to enhance their home.

Kind Regards

Kathryn Shaples
