Dear Dimitri & team,

Please find enclosed balance of payment.

We wanted to say a big thank you for the lovely job you have done with our reclaimed parquet floor — it looks fantastic and all your care & consideration was very much appreciated.

It is rare to find tradesmen so respectful & honest (and punctual!) these days, and it was a pleasure to deal with you all. Please don't hesitate to use us as a reference any time you need.

We will be asking you back to do the stairs next year. And do look in if you are back in the area before then!

Thank you again for everything

Very Best Wishes

Carolyn & Toni Forcella
