

25th June 2013.

To whom it may concern.

We highly recommend the Ecquisite Wood company for the fitting of a parquet floor.

They have recently fitted a Maple wood floor for us in the lounge and dining rooms of our home.

The wood is good quality, they arrived on time everyday, completed on time, and charged as agreed.

The work is of a very high standard and we are pleased to say that our new floor is indeed "Ecquisite"!
