

25th JUNE 13

TO WHOM IT MAY CONCERN

We have had 2 WOODEN FLOORS completely renovated by EXQUISITE FLOORS LTD.

One floor was OAK, laid 10 years previously and we wanted it darkened.

The second was a 100 year old PINE PARQUET floor that had taken years of knocks and discolouration.

Both floors were renovated to a very high standard and to our complete satisfaction

We would highly recommend this company

Steve Slattery
