

Our mid eighteenth century cottages  
Required renovating and improving, and so  
we contacted Exquisite Woods Ltd.

We now have our living room,  
landing and two bedrooms beautifully  
finished in oak flooring by Exquisite Woods.

We are so grateful for the excellent,  
friendly and efficient service that we received.

The flooring has stood the test of  
time, is as beautiful as ever, and we  
thoroughly recommend Exquisite Woods Ltd.

Thank you Dimitri!
